Sir:

The computer readable form in this application, 09/390,846, is identical with that filed in Application No. 08/676,882, filed July 3, 1996. In accordance with 37 CFR 1.821(e), please use the computer readable form filed in that application for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the

instant application. A paper copy of the Sequence Listing was included in a separately filed preliminary amendment for incorporation into the specification, filed September 19, 1996.

Respectfully submitted,
